14. How to Use — Step by Step (Sample Case)

A worked example using a sample Indian case — Rohan Mehta vs. State Bank of India — from sign-in to printing a court-ready report.

GETTING STARTED

Secure Sign-In & Account Access

Every account is protected the moment it's created — no shortcuts on security, even for the login screen.

- **Password protection** — Passwords are hashed with PBKDF2-SHA256 (100,000 iterations) and a unique salt per account — never stored in plain text.
- **Managed access** — Accounts can be time-limited with an expiry date, and instantly disabled or renewed without deleting any case data.
- **Self-service password change** — Users can change their own password any time, no need to contact support for routine resets.
- **Login history** — Every sign-in is logged with a timestamp and IP address.

Dashboard — Your Command Center

The moment you sign in, the Dashboard gives a complete snapshot of your practice.

- **Key numbers up top** — Total Cases, Active Cases, Hearings in the next 7 Days, and Closed Cases — refreshed live as your data changes.
- **Upcoming Hearings widget** — The next hearings across every case, soonest-first.
- **Tasks Due Soon widget** — Pending to-dos across all cases and general tasks.
- **Case Status breakdown** — Active / Pending / Closed as count and percentage.
- **Recent Cases table** — Your most recently active cases, one click to full detail.

Case Management

Everything about a matter lives in one place — client details, case particulars, and a full running history.

- **Full case record** — Client name, mobile, email; case title, case number, type, court, opposing party, and status.
- **Custom case types** — Add your own case-type categories beyond the built-in list.
- **Searchable, filterable, paginated** — Filter by status, sort by name / recently added / next hearing, 10 per page.
- **Notes** — Free-form notes on every case.

ACCURATE HISTORY

Court Transfer — Without Rewriting History

When a case moves to a new court, Transfer Case updates it going forward — without corrupting what already happened.

- **Search-and-select** — Pick any active case from a searchable list and enter the new court name.
- **Past dates stay accurate** — Hearings already on file keep showing the court they were actually heard in.
- **Logged automatically** — Every transfer is recorded in the case's Activity Log.

NEVER MISS A HEARING

Hearing Dates & Scheduling

Add, edit, and track every hearing date tied to a case, with the court it was heard in captured automatically.

- **Quick Add Date** — Add a hearing to any case in seconds, with an optional description.
- **Edit or remove** — Correct a date after the fact, or remove one no longer needed.
- **Urgency indicators** — Hearings due today or within a couple of days are flagged.

THE FULL LIST

Upcoming Dates

A dedicated, soonest-first list of every upcoming hearing across your caseload.

- **One click to the case** — Tap any date to jump straight into that case.
- **Always sorted by urgency** — The nearest hearings always appear first.

The screenshot displays the 'India Law Library Legal Practice Manager' interface. On the left is a dark sidebar with navigation options: Dashboard, Cases, New Case, Add Date, Transfer Case, Calendar, Upcoming Dates (highlighted with a red badge showing 4), Tasks (with a red badge showing 4), and Analytics. At the bottom of the sidebar are links for 'Change Password' and 'Log out'. The main content area has a search bar at the top with the placeholder 'Search cases, clients, case numbers...' and a 'Print' button. Below the search bar is the 'Upcoming Dates' section, which includes the subtitle 'All future hearings and deadlines across every case'. It lists four upcoming events in a table-like format:

Jul 21	Settlement hearing — TechNova Pvt. Ltd. TechNova vs. Apex Logistics · Tomorrow	Active
Jul 22	Evidence hearing — Rohan Mehta Mehta vs. State Bank of India · in 2d	Active
Jul 26	Survey report submission — Priya Nair Nair Family Property Partition · in 6d	Pending
Aug 9	Final arguments — Rohan Mehta Mehta vs. State Bank of India · in 20d	Active

HOW TO USE

Step-by-Step, With a Sample Case

This walkthrough uses one running example — **Rohan Mehta vs. State Bank of India** — so you can see exactly how the pieces connect, from creating the case through printing a court-ready report.

1 Sign in

Go to the login page and sign in. Username and password are case-sensitive.

The login form is titled "India Law Library" with the subtitle "Legal Practice Manager". It includes a link "Free for India Law Library Customers". The form has two input fields: "Username (Case sensitive)" and "Password (Case sensitive)". Below these is a blue "Sign In" button and a link "Change Password". At the bottom, it says "For Activation call us on : 9311335667".

2 Create a new case

Click **+ New Case** and fill in the details.

Sample data used: Client: Rohan Mehta | Mobile: 9876543210 | Case Title: Mehta vs. State Bank of India | Case No: CS/1042/2026 | Type: Civil | Court/Judge: District Court, Room 4 — Judge Verma | Opposing Party: State Bank of India

The "New Case" form is a modal window with the following fields:

- Client Name* (e.g. Rohan Mehta)
- Client Mobile No (e.g. 9876543210)
- Client Email (e.g. rohan@example.com)
- Case Title* (e.g. Mehta vs. State Bank)
- Case Number (e.g. CS/1234/2026)
- Case Type (Civil)
- Court / Judge (e.g. District Court, Judge Sharm)
- Opposing Party (e.g. State Bank Ltd.)
- Status (Active)
- Next Hearing Date (mm/dd/yyyy)
- Notes (Any additional details...)

At the bottom are "Cancel" and "Save Case" buttons.

3 Add a hearing date

Open the case and go to the **Dates** tab, or use **Add Date** from the sidebar, to log the next hearing.

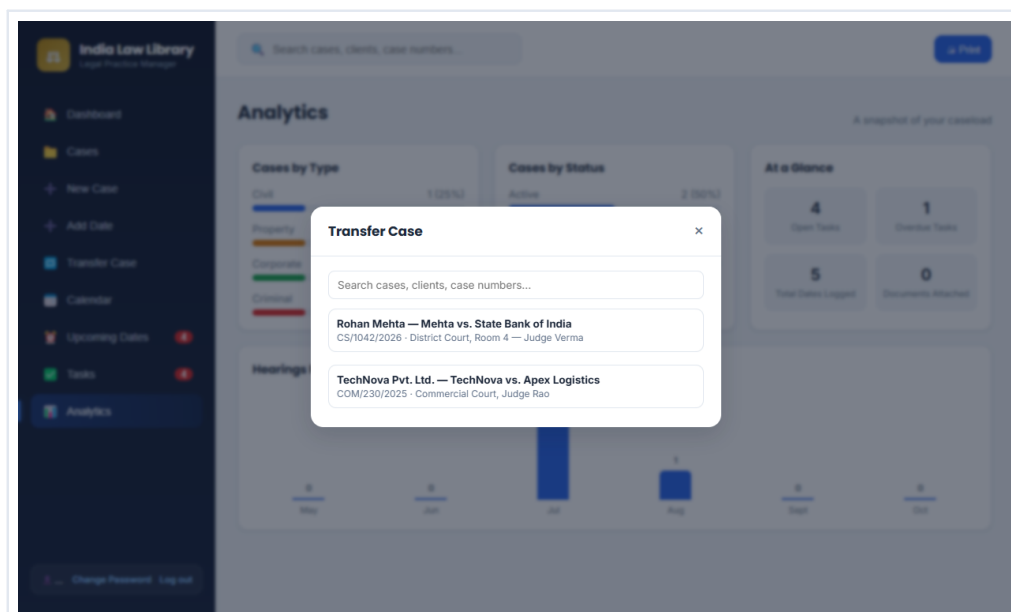

Sample data used: 22 Jul 2026 — Evidence hearing | 09 Aug 2026 — Final arguments

4 Transfer the case to a new court

If a matter moves courts, use **Transfer Case**: search for the case, select it, and enter the new court. Every date already on file keeps showing the original court — nothing gets rewritten.

Sample data used: Mehta vs. State Bank of India — District Court, Room 4 → (new court on transfer)

5 Track a task

Click **+ New Task** to add a to-do, optionally linked to the case, with a due date.

Sample data used: "Collect bank statements from client" — Due: today

6 Print a court-ready report

Click **Print**, choose **Upcoming Hearings**, and get a clean printout with client, case, and the correct court for every hearing.

Sample data used: Shows: Mehta vs. State Bank of India — District Court, Room 4 — Judge Verma
